Mr. J. M. Coane's Appointment.

WE have much pleasure in congratulating Mr. Coane on his appointment as one of the adjudicators for the selection of designs for the Federal City.

Mr. Coane has been connected for many years with the Victorian Surveyors' Examination Board, and has also represented his State on all conferences of surveyors held since reciprocity between the States was first established.

The high esteem in which Mr. Coane is held personally and for his professioual attainments, will make his appointment a popular one.
